

DRAFT  DIGITAL  
presents  
Author Marketing 101

## Self-Publish with Support.

Draft2Digital is an indie-focused ebook conversion and aggregator service, delivering authors and their work to some of the biggest digital retailers around the globe. It takes around ten minutes to create a D2D account, upload your manuscript and cover, see it converted to popular ebook formats, and hit publish to send it on a journey to find your readers wherever they may live.
